C.W.I.P.P.E. IS STARTING AGAIN CWIPPE stands for **Cursive Writing Intergenerational Pen Pal Exchange** and it's a program that links local grade 3 students who are learning to write and adults/seniors. For three months (April-June), they become pen pals and hopefully this year, the children and their pen pals will meet in person here at St. Peter's at a final CWIPPE party where refreshments will be served. There are still a few children who don't have an adult/senior pen pal so if you're interested in helping a child practice their cursive writing (by exchanging five letters), please contact June Maffin junemaffin@gmail.com. For more information, you can check out the website at www.soulistry.com/CWIPPE
